METHOD

- Mix** — Whisk flour, salt and yeast. Add the warm water and 2 tbsp oil; stir to a shaggy, sticky dough.
- First proof** — Cover and leave somewhere warm ~2 h, until doubled and bubbled.
- Oil the skillet** — Pour 1 tbsp oil into a 10-inch cast-iron skillet; turn the dough into it.
- Dimple & rest** — Oil your fingers; press deep dimples all over. Rest 20 min while the oven heats.
- Finish** — Drizzle with oil, tuck in rosemary sprigs, and scatter over flaky salt.
- Bake** — 220°C / 430°F for 25 min, until deep gold. Cool 10 min before cutting.

NOTES

No cast iron? A cake tin works — add two minutes. Best after an overnight cold proof.
